BRAND NEW RANGE

## Hampton

A wonderful addition to the Masterclass range, Hampton is a brand new 'flat slab' painted door with our beautifully tactile, super smooth silk finish. There are 25 colours, including the 7 new colours from the newly added vibrant colour palette and even a primed option for the ultimate personalisation. Hampton can be designed to epitomise the über modern kitchen or designed in a contemporary feel using our Inframe system.

## NEW COLOURS

### Seven New Colours - The Vibrant Colour Palette

---

Colour is the design tool to alter the mood of your kitchen; it can change the perception of space and draw the eye to a feature. 2017 is the year of the accent colour in kitchen design and our new colours give you the option to create a design to love and one that is truly unique to you. Available in all of our painted ranges, including Marlborough and Roma. Be bold, be different.

Roma Oxford Blue with Terracotta Sunset and Scots Grey

Marlborough Mulberry with Scots Grey

Solva Vintage Rose with Graphite and Scots Grey

Hampton Scots Grey with Vintage Rose

Sherborne Claret with Scots Grey

NEW & EXCLUSIVE

## Legrabox R-Design by Masterclass. A World First.

Exclusive to Masterclass Kitchens, the Legrabox R-Design is stunning. The best in quality and design. The drawer is finished in brushed stainless steel giving it a wonderful aesthetic value, whilst the inside features our new textured finish, Anthracite Linen, which is a decadent complement to the modern brushed steel. The Legrabox R-Design makes what's inside a Masterclass Kitchen as beautiful as the outside.

## The Next Generation of Storage Solutions

Our new storage systems are designed to reduce the cost of internal storage to give an alternative to more expensive chrome wirework. This also allows you to match the drawer box choice throughout the rest of your kitchen. The Masterclass Space Tower and Pull Out Systems are available in Legrabox R-Design with Anthracite Linen internals, Tuscan Walnut or Portland Oak.

Tall Pull Out Larder

### Features & Benefits

- A range of heights and widths offering convenient access

## The Masterclass Inframe system

---

Available for all our painted ranges, the Masterclass Inframe System allows you to achieve the quintessential look at an affordable price point. It can be used to create the classical look with shaker style doors or a more contemporary feel when the classic detailing of Inframe is teamed with the understated elegance of flat slab frontages.
