# LEGRABOX R-DESIGN BY MASTERCLASS. A WORLD FIRST

Exclusive to Masterclass Kitchens, the Legrabox R-Design is stunning. The best in quality and design. The drawer is finished in brushed stainless steel giving it a wonderful aesthetic value, whilst the inside features our new textured finish, Anthracite Linen, which is a decadent complement to the modern brushed steel. The Legrabox R-Design makes what's inside a Masterclass Kitchen as beautiful as the outside.
